LEAVE A LEGACY

AFB American Foundation for the Blind®

Thank you for considering making a legacy gift to the American Foundation for the Blind. Donating through a bequest in your will or trust, or by naming the American Foundation for the Blind as a beneficiary of an asset, are ways you can support our work and secure the future of our mission.

To leave a bequest to the American Foundation for the Blind, begin by deciding how much you wish to donate. You can choose to give a specific dollar amount, a percentage of your estate, or what remains after you have remembered family and friends. Then, give your attorney the following information:

Legal Name: American Foundation for the Blind

Address: River Tower, 1108 Third Ave, Suite 200, Huntington, WV 25701

Tax ID Number: 13-5562161

Another option is to designate the American Foundation for the Blind as a beneficiary of a retirement account or other assets. After deciding the percentage you'd like to leave to the American Foundation for the Blind, contact your IRA or retirement plan administrator, insurance company, bank, or financial institution, and request a change-of-beneficiary form. Fill out the form, designating the American Foundation for the Blind as the beneficiary. Submit the completed form to the plan administrator.

THANK YOU for your future gift and for becoming a member of the American Foundation for the Blind's **Helen Keller Society**.
