2026 HKAA

Each year, the Helen Keller Achievement Awards gather leaders and change makers who believe in a world where opportunity belongs to everyone.

Rooted in Helen Keller's legacy, from her beginnings at Ivy Green to her lifelong pursuit of knowledge and inclusion, the evening reflects the power of access to spark growth and achievement.

This year's celebration will take place at the Harvard Club of New York City on the evening of April 23, 2026. This historic icon, representing one of the nation's oldest and premier Ivy League institutions, serves as a powerful backdrop marking Helen's own climb to success — a fitting location as we honor individuals and organizations whose dedication expands opportunities and helps create a world of endless possibilities for people who are blind or have low vision.

Sponsorship packages are now available for those who wish to support this landmark event and help open doors for future generations.
